

YOU DESERVE CARE THAT WORKS FOR YOU

We'll help you build the support team you need — doctors, food, and housing included.

FINDING THE RIGHT DOCTOR

- Are you connected to the right doctor or specialist?
- Is their office accessible and easy to get to?
- Do you need help in creating a team of providers who can help you stay healthy?

AFFORDING HEALTHY FOOD

- Struggling to afford healthy food?
- Are you making tough choices between food and other essentials?

FINDING A SAFE PLACE TO LIVE

- Is your housing safe, accessible, and stable?

If not, Independence Care System (ICS) can help.

How ICS Health Home can help you

- Compassionate Care Navigators who guide you every step of the way.
- Help with appointments so you don't fall through the cracks.
- Coordination and linkage to essentials like food, housing, and finding the right doctor.
Fewer trips to the ER and hospital.
- We speak your language.

It's Free for Medicaid Recipients

You can keep your doctors, homecare aides, and healthplan.

You may qualify if you:

- Have Medicaid
- Live in NYC, Westchester, or Orange Counties
Have two chronic health conditions (e.g., physical disability, diabetes, COPD, asthma, etc.)
- Have recently used the emergency room or had a hospitalization
- Have a need for care management to improve your health
